#### **VAUDEVILLE STAGE** IS OPEN TO WESTON

Aged Pedestrian, However, Content With Honor Won and \$400 Purse Raised by Friends.

New York, May 3 .- Edward Payson Weston, who yesterday completed his transcontinental walk, has received hundreds of offers from vaudeville managers who wish to exhibit him as a physical wonder, but, though in very modest circumstances. he has declined them all. Weston ascended the steps of the city hall at 3:10 o'clock, completing his journey of 3,483 miles in 77 walking days, a feat without parallel in the annals of pedestrianism.

The grizzled athlete was welcomed to his home city by Mayor Gaynor, who presented him with a purse of \$400 hurriedly raised by a handful of his admirers in the last hours of the spectacular walk. This, with the admiration and applause of the thousands who have followed his tramp since its beginning at Los Angeles on Feb. 1 last, is all the reward that comes to the 72-year-old sportsman after his two months and a half of trudging through heat and cold across the continent.

#### M. H. SEXTON'S FIRST YEAR OUT OF THE THREE-EYE LEAGUE

For the first time since its formation 10 years ago M. H. Sexton this season finds himself in no way officially identified with the Three-Eye Baseball league, although still an important factor in the national organization lirecting the game. As known, he is head of the national commission. Mr. Sexton was the first president of the Three-Eye. Since that meeting in Peoria a decade ago, when the league was launched, Mr. Sexton has been continuously connected with it, either in the capacity of president of the local association or the head of the league organization.

"I expect to be a disinterested as well as an interested observer of the game this season," Mr. Sexton said today. "When officially interested I sults.
